September 8, 2017

Dear Parent/Guardian,

Congratulations on your child enrolling in the Advanced Placement program at Spencerport High School. As you are aware, the caliber of students recommended for the rigors of Advanced Placement is very high, and we expect that this year's results will continue our tradition of excellence. Spencerport High School has had students who have been very successful on their AP exams and have earned up to eight college credits for each examination they have taken, based on their results. Your child's high school transcript is annotated and his or her GPA is weighted based on enrollment through the Advanced Placement program.

Every student enrolled in an AP course **is required** to take the examination that corresponds with the course. The cost of **each** examination is \$94.00, and payment for the exams is due by September 29th, 2017. Again this year, parents or students can pay for exams online for no additional fee with a credit card or e-check at: www.spencerportschools.org/APexams. If you would prefer, students can also pay in the High School Bookstore beginning September 11, 2017 and through September 29, 2017. Please make checks or money orders payable to the *Spencerport Central School District*. Parents can also pay in the High School Bookstore during the High School Open House on Thursday, September 14th.

If you cannot pay this fee due to financial hardship and you qualify for the FRPL program, please send my office a copy of the meal application letter you received when you were approved, stating that your child qualifies for free or reduced meals. Once the letter is received, we will complete the College Board Fee Waiver process on your student's behalf. If you are in need of an additional copy of the letter, please contact Ms. Andrea Romano by calling (585) 349-5190. No student will be denied the opportunity to take an AP exam; therefore, if your family does not qualify for the FRPL program, but it is not possible for you to pay for the exams at this time, please contact me directly at (585) 349-5220 so that we can make alternate payment arrangements.

I appreciate your cooperation in this matter. If you have any questions or concerns, please do not hesitate to call me at 349-5220.

Sincerely,

Jessica Silsby
Assistant Principal

Our Mission is to educate and inspire each student to love learning, pursue excellence and use knowledge, skills and attitudes to contribute respectfully and confidently to an ever-changing global community.
