“How wonderful it is that nobody need wait a single moment before starting to improve the world.” Anne Frank

“If you want to lift yourself up, lift up someone else.” Booker T. Washington

**Upcoming Events:**

- **Tuesday, May 28**
  - Board of Education Meeting, 7:00 p.m., District Office

- **Wednesday, May 29**
  - HS Spring Vocal Concert, 7:00 p.m., PAC

- **Thursday, May 30**
  - HS Academic Award Ceremony, 6:30 p.m., PAC

- **Friday, May 31**
  - Senior DWI Assembly/Class Elections, 7:30 a.m.

- **Saturday, June 1**
  - Darien Lake Band Competition

- **Saturday, June 1**
  - Senior Ball

- **Monday, June 3**
  - HS Regents Exam – School in Session

- **Monday, June 3**
  - HS Fall 2019 Sport Sign-ups

- **Monday, June 3**
  - BPT Meeting, 2:25 p.m., Conference Room

- **Tuesday, June 4**
  - Department Meetings, 2:25 p.m.

- **Tuesday, June 4**
  - HS World Language Ceremony, 6:30 p.m., PAC

- **Wednesday, June 5**
  - Teacher Leader Meeting, 1:00 p.m., Conference Room (rescheduled from 6/6)

- **Wednesday, June 5**
  - Athletic Awards Banquet, 6:00 p.m., PAC

- **Tuesday, June 11**
  - Faculty Meeting, 2:25 p.m., PAC

- **Tuesday, June 11**
  - Board of Education Meeting, 7:00 p.m., District Office

- **June 18 – 25**
  - HS Finals/Regents Exams, Students Attend by Exam Only

- **Thursday, June 20**
  - Senior Cap and Gown Pick Up, 9:00 a.m., Room 5

- **Friday, June 21**
  - Senior Parade to Elementary Schools, 9:30 a.m.

- **Wednesday, June 26**
  - HS Senior Breakfast/Rehearsal

- **Wednesday, June 26**
  - End for HS Fourth Quarter

- **Friday, June 28**
  - Class of 2019 Commencement @ Brockport SERC, 7:00 p.m.

- **Monday, July 1**
  - HS Report Cards Mailed Home

**Student Updates**

- Congratulations to senior Beste Erdogan for being selected as our April Student of the Month for Initiative and to junior Brendan Harter for being selected as our May Student of the Month for Integrity. And as always, thank you to the “Lions” for their support of this recognition!
On Tuesday, May 21, members of the Service Learning Internship Program volunteered at Hope Lodge. Hope Lodge is a housing facility for patients who are undergoing cancer treatment in the Rochester area. The SLIP students prepared the evening meal for the guests. The menu was created by Senior Nichole Jackson and was themed the Red, White and Blue - All American Meal. Hot Dogs, Hamburgers with all the fixings, potato salad and Mr. Hanson's Grandmothers recipe for Macaroni Salad (without the SPAM). The students all chipped in to purchase the food, and came together to prepare and serve the dinner.
On Friday, May 10, the newest members of the CHOICES program joined with current members for a training session conducted by the Monroe County Department of Youth. This was an opportunity to share the program with the sophomores, team build and create lessons that will be shared with 8th graders. The final presentation for the 8th graders will be May 31, moving up ceremony is June 6 and freshmen orientation is in August.

Staff Updates

- Reminders:
  As we enter the last few weeks of school please continue to focus on making sure we are as consistent as possible with the various procedures we have in place for keeping the high school a safe and orderly environment for our students and staff. Below are just a few reminders:
  - Passes for students during Advisement
  - Attendance taken the first 5 minutes of every class
  - Working with our greeters at the main entrance on any guests that you are expecting
  - Trying to be as visible as possible during passing times in the hallways (just standing outside your door for a minute is fantastic)
  - ID badge worn in a visible location and addressing anyone you don’t know who does not have an ID badge (or letting the main office/security/administration know).
  - Keeping all classrooms locked when an adult is not present (including Weight Room).
  - Smiling and saying hello to as many students and staff members as possible. The last few weeks of school can be hectic for students and staff alike. Always try to remember the impact a simple smile and warm greeting can have on anyone having a rough day.
Senior DWI Assembly and Class Elections:
On **Friday, May 31**, we will be conducting the DWI Assembly for the Senior Class and Class Elections for the other three classes. The front loop will be blocked off. Please plan on parking in one of the other parking lots. Students in grades 9-11 are to report directly to their Advisement classroom on Friday morning at 7:25 a.m. Seniors are to report directly to the West Café at 7:25 a.m. Please remind your students throughout the week of the unique schedule. **This year, we will be completing all Class Election votes electronically and students will be asked to stay in their Advisements. Students will NOT be reporting to alternate locations as in years past.** Students who are running for class office will be given the opportunity to record their speeches prior to May 31. During the morning of May 31, we will ask that Advisement teachers share these videos with their students. Once all students’ speeches have been shared, Advisement classrooms will vote using the ballot on Schoology. The Senior DWI Assembly may take longer than the allotted 40 minutes. If necessary, an announcement will be made informing teachers that seniors have been dismissed to first block.

---

### Modified Schedule for May 31st

**NOTE:** Any teachers/staff that are free during the DWI Assembly are certainly invited to attend. If the weather does not cooperate, this event will occur on Tuesday, June 4, 2019.

---

**June 3 Testing/Global:**
As a reminder, on Monday, June 3, we will be administering the Global Regents Exam while in session. Students will be testing in the East Gym. **All students taking the Global Regents should report directly to the East Cafeteria.** Students will receive a pass upon completing the exam to return to class noting the time they left the exam.

Students with testing accommodations will be testing in the following locations: 140, 141, 142, and 143, Ms. Patton’s Office, Ms. Wade’s Offices, the upstairs and downstairs library, and the Student Support Center.

Teachers whose rooms will be utilized for testing, or as a location for a displaced class, have been notified. If there are any concerns with the schedule you have been sent, please e-mail Jen Placito by Wednesday, 5/29.

Lastly, on June 3, the Library, Test Mod Room, and the Student Support Center will be closed for testing. Should students need any assistance, they should report to the Counseling Office. Additionally, should students need to access the Technology Help Desk, Briana will be stationed in the MakerSpace until 12:00, in lieu of her traditional location in the upstairs library.
Locker Clean Out Day: from Tim O’Connor and Tamara VanLoo
Each year we take the opportunity to have students clean out their lockers. This practice has helped tremendously with our summer cleaning and the process that we follow when returning books. We will conduct this clean out on two different days during Advisement only. On **Wednesday, June 12**, all freshmen and seniors students will clean out their lockers in the 100, 300 and 500 hallways. On **Thursday, June 13**, sophomores and juniors will clean out their lockers in the 200 and 400 halls.

Each day at the end of first period, we will announce that students are to report Advisement for attendance and then go to their lockers. Advisement teachers will assist in the halls when their students are scheduled to complete this task. Any teachers that do not have an Advisement are asked to offer support during these days. The Environmental Club will be stationed within each hallway to collect gently used school supplies and will be donating these items to Jewish Family Services of Rochester who run the Paper & Pencils program for Rochester City School teachers to obtain supplies for their underfunded classrooms and programs. Please advise students to donate these items at any of the designated tables.

On **Friday, June 14**, we will inform students that all lockers will be cabled at the conclusion of the day, and no one will have access until July, 2019. The administrative team appreciates any and all assistance that our staff can offer students in identifying new or gently used items that can be donated.

- **Laptop collection for seniors:**
  Please note that we will only be collecting laptops from our graduating seniors. Below is an explanation of the process we will be following:

  Seniors can turn in their laptop, charger, and carrying case on **Friday, June 14, and Monday, June 17, in the MakerSpace during their lunch period. They are encouraged to visit the Help Desk in the upstairs library prior to these dates to address any damages or concerns. Any senior who is taking the Algebra II, Physics, or Chemistry Regents exam, and would like to use their laptop to prepare for the exam, may turn in their laptop prior to the test at the high school rock wall.**

- **Upcoming faculty meetings:**
  6/11: last faculty meeting of the year 😊. Cory Allen will provide a brief overview of changes to our DCT Team for next year. Steve Lysenko will then provide an overview/update on exam week. The remainder of the time will be spent celebrating our retirees 😊
Final Exams:
Final exam season is nearly upon us. Please consult the schedule on the following page for local final and Regents exams. Please get exams and any exam materials to the Test Mod Room staff at least one week prior to the date of your exam. All completed local exams for students with accommodations will be checked in and checked out via the Main Office. On Thursday, June 6, during Advisement, Mr. Lysenko will be on the announcements guiding students through the creation of their exam week schedules. Copies of the student exam schedule template will be in faculty mailboxes by the end of the day Wednesday, June 5. Please remember to post the dates and times of final exams which will be administered during exam week starting on Monday, June 3 or sooner. Exam and building security assignments will be distributed via email in the near future. Thanks for your assistance as we work together to support all students in finding success during our June assessments.

NOTE: Exams in **BOLD PRINT** are NYS Regents

- In-class exams for our core classes will take place between Tuesday, May 28, 2019 and Monday, June 17, 2019 (elective final exams should also take place within this timeframe as well).
- Local final exams will take place no earlier than Tuesday, May 28, 2019.
- Official Regents exams will take place between Tuesday, June 18, 2019 and Tuesday, June 25, 2019.
- Exams in **BOLD PRINT** are state exams and cannot be moved. AM exams begin promptly at 8:00 AM and students must remain at the exam site until 10:00 AM; PM Exams begin promptly at 12:00 PM Students and students must remain at the exam site until 2:00 PM

**Principal’s Message**

I hope everyone had a relaxing long weekend with families and friends. Memorial Day weekend always highlights for me the wonderful rights and freedoms we have in this country because of the sacrifices of our fellow citizens in the armed forces. As I reflect on Memorial Day and say a prayer for the men and women who have given their lives for our country (and their families), I can’t help but think of our Spencerport graduates, who just a few years ago were walking our hallways, and who are now bravely serving our country. It truly is humbling to think about these wonderful young American citizens and their dedication to a greater cause. I always make sure to say a prayer for their safety and send positive thoughts their way.

As we begin this four day school week, we only have 15 days of instruction left before Regents Exams! This is a big week for us in terms of important student events; Spring Choral Concert on Wednesday, Academic Awards on Thursday, DWI/Class elections on Friday, and the Senior Ball on Saturday (all while still working with students on essential curriculum/learning!). So as I mentioned in the last RANGER Report, be sure to take deep breaths 😊, take care of yourself, and also remember many of our students are feeling the same types of stress that we are as the year is concluding. I know it sounds corny, but I truly believe the more we can smile at each other and our students, engage in meaningful discussion with each other and our students, the easier it is to slow down and enjoy each day as the gift that it truly is. Also remember the Golisano Children's Hospital Stroll for Strong Kids & 5K Run. The event will take place on Saturday, June 1. Runners start at 8:30 a.m. and the stroll kicks off at 10:30 a.m. The Wellness Committee will provide refreshments after the run and before the walk. Please note that it is 30 dollars to run, but strolling is free. Also, there will be a variety of free family friendly activities and food at this event. Refer to Cory Allen’s email from this morning for the link to sign up to join Team Spencerport. This promises to be a lot of fun and again supports everyone’s emotional and physical well-being while supporting a great cause. Tim O’Connor and I have a personal challenge on who will finish first….this race within a race will be as exciting as Usain Bolt vs. Justin Gatlin (not)! 😜

A BIG THANKYOU to the entire staff for their help and support of our 3rd Annual Spring Fling last Thursday. I greatly appreciate everyone’s flexibility and help in moving this event inside due to the inclement weather. I truly believe it is great for our students to see us model how to handle those small “hiccups” that invariably occur when planning a large event. Rather than bemoan the bad weather and not being outside, we made the best of the situation and the kids still had a great time! Special thanks to the following: Our PE department for their never ending flexibility in allowing us to use the gyms for the inflatables, Student Government and Sources of Strength for organizing the event, Adam Ashworth and

7
Jody Wyant and the entire yearbook staff for once again creating an incredible yearbook for our community.

Thank you to all of the faculty for their participation in our first discussion concerning student discipline/Code of Conduct. I really enjoyed the insights and feedback I was able to hear from my group and the other Assistant Principals reported the same thing. This will be an ongoing discussion for us next year, and much like our continued work on grading, this will be a discussion where it is essential everyone provides their honest feedback/thoughts/ideas. We will also be working to include the support staff in this conversation as well.

As always, thank you for all that you do to support our students. I hope everyone has a great week and please feel free to see me with any questions, concerns, or comments. All the best. Sean
